(06/27/2011)

Best Practice Actions Underway and Completed

Completed actions are denoted by stars. Mouse over a star for its definition.

Buildings and Lighting

Efficient Existing Public Buildings { BP no. 1 }

Action 2: Make no/low cost **indoor lighting and operational changes** in city-owned/school buildings to reduce energy costs.

Date action report first entered: 12/21/2011

Implementation details:

In Process: The City is working with RETAP to have energy audits of city hall, public works facility, community center and all warming houses that have heat. Plan to be completed in January.

Outcome measures/metrics:

Partners:
RETAP

2 Star(s) Action 4: Implement information technology efforts and city employee engagement to reduce plug loads and building energy use.

Date action report first entered: 01/05/2012

Implementation details:

City employees will turn off computers, monitors and printers when leaving for the day. All charging devices will be unplugged from the wall when not in use. Office lights will be turned off when leaving the office for meetings, lunch, or during the day.

Outcome measures/metrics:

Electronic measurement will be taken with a device to estimate computer electricity usage during the month of January, 2012.

**Efficient Existing Private Buildings { BP
no. 2 }**

Action 1: Create or participate in a **marketing/outreach program** to promote/achieve residential energy/water use reduction and energy efficiency.

Date action report first entered: 12/21/2011

Implementation details:

City of Shorewood is a Xcel Partners in Energy city. Through this program we are promoting and encouraging water and energy savings to residents and paying 50% of the first 25 home energy audits. We are also promoting WindSource and encouraging sign ups.

jmoore@ci.shorewood.mn.us | 952.960.7906**

Land Use

Comprehensive, Climate and Energy Plans { BP no. 6 }

1 Star(s) Action 1: Adopt a comprehensive plan or (for Category B & C cities) adopt a land use plan that was adopted by the county or a regional entity.

Date action report first entered: 10/25/2011

Implementation details:

Shorewood adopted its first Comprehensive Plan in 1981 and has updated it over the years. The most recent update was in 2009.

Outcome measures/metrics:

**Julie Moore (City staff) |
jmoore@ci.shorewood.mn.us | 952.960.7906**

Mixed Uses { BP no. 8 }

1 Star(s) Action 2: Locate or lease a school, city

building or other government facility that has at least two of these attributes:

a. Adjacent to an existing employment or residential center.

b. Designed to facilitate and encourage access by walking and biking.

c. Accessible by regular transit service.

Date action report first entered: 10/25/2011

Implementation details:

Shorewood's "public campus" includes a renovated City Hall, a public works facility and a public safety facility, all located adjacent to a commercial shopping, with direct access to the city's trail system and accessible by existing regular transit service

jmoore@ci.shorewood.mn.us | 952.960.7906**

Environmental Management

Urban Forests & Soils { BP no. 16 }

1 Star(s) Action 5: Adopt a tree preservation or native landscaping ordinance.

Date action report first entered: 10/25/2011

Implementation details:

Several years ago Shorewood adopted a Tree Preservation and Reforestation ordinance which attempts to protect existing trees and replaces trees lost to construction activities.

jmoore@ci.shorewood.mn.us | 952.960.7906**

Stormwater Management { BP no. 17 }

1 Star(s) Action 3: Adopt by ordinance one or more of the following stormwater infiltration/management strategies:

a. A narrower streets provision that permits construction of 22-foot roads for public, residential access and subcollector streets (with fewer than 400 average daily trips).

b. For sites less than one acre, retain the water quality volume of 1.1 inches of runoff from all impervious

surfaces for new and fully-redeveloped construction sites.

c. For non-MS4 permittees, adopt an illicit discharge prohibition rule or ordinance and an erosion and sediment control ordinance.

Date action report first entered: 10/25/2011

Implementation details:

Shorewood's Subdivision Code allows residential streets to be 24 feet in width.

**Julie Moore (City staff) |
jmoore@ci.shorewood.mn.us | 952.960.7906**

Efficient Water and Wastewater Systems { BP no. 20 }

1 Star(s) Action 3: Establish an on-going budget and program for decreasing inflow and infiltration into sewer lines and losses in drinking water systems.

Date action report first entered: 10/25/2011

Implementation details:

Shorewood budgets annually for inflow and infiltration improvements to the sanitary sewer system. In addition the City completed a sump pump inspection program.

Outcome measures/metrics:

jmoore@ci.shorewood.mn.us | 952.960.7906**

Local Air Quality { BP no. 23 }

2 Star(s) Action 2: Regulate outdoor residential wood burning, using ordinance language, performance standards and bans as appropriate, for at least one of the following:

- a. Recreational burning.**
- b. Outdoor residential wood boilers.**

Date action report first entered: 10/25/2011

Implementation details:

Four years ago Shorewood adopted regulations pertaining to the use of outdoor woodburning boilers.

Resilient Economic & Community Development

Benchmarks and Community Engagement { BP no. 24 }

1 Star(s) Action 1: Use a committee to lead, coordinate, and report to and engage community members on implementation of sustainability best practices.

Date action report first entered: 12/21/2011

Implementation details:

The city has provided a link on the front page of the web site to GreenStep cities. Updates will be provided twice each year in the newsletter as information is available. The city established an energy committee to work with Xcel Energy Partners in Energy program to further the clean energy agenda in the city. A plan has been activated and we will begin implementation of energy goals in late 2017.
