STATEMENT OF PURPOSE: The purpose of this resolution is the adoption of the Plan for Duluth's Bikeway System. This resolution provides for the recognition that bicycling as an alternate mode of transportation is increasing, and that improvements to the city's infrastructure are necessary in order to help accommodate bicyclists. The Plan for Duluth's Bikeway System is the result of four public meetings and multiple discussions with St. Louis County and MnDOT. Upon adoption, city staff will implement the improvements as construction projects and funding allow.
