Hi everyone:

Todd mentioned during his call with you this morning that I would be sending several documents. In hindsight it's simpler to just send you the links to the Council packets with the information. Please see below.

- Ameresco energy savings project – memo and resolution
https://www.saintpetermn.gov/AgendaCenter/ViewFile/Agenda/_08282017-191 starts on page 53
- Fire station project bid awards – memo and resolution
https://www.saintpetermn.gov/AgendaCenter/ViewFile/Agenda/_05092022-721 starts on page 36

• Energy Star – Todd says we don't have a formal written policy, but he has instructed all staff to purchase energy star equipment.

Thanks much.
