

Councilmember Huttner introduced the following resolution and moved its adoption:

**RESOLUTION NO. 2026-07  
CITY OF CHAMPLIN  
COUNTY OF HENNEPIN  
STATE OF MINNESOTA**

**RESOLUTION AUTHORIZING THE CITY OF CHAMPLIN TO PARTICIPATE IN THE  
MINNESOTA GREENSTEP CITIES PROGRAM**

WHEREAS, Minnesota GreenStep Cities is a voluntary challenge, assistance and recognition program to help cities achieve their sustainability and quality-of-life goals. GreenStep is a free, continuous improvement program, managed by a State agency-non-profit partnership, and based upon 29 best practices. Each best practice can be implemented by completing one or more actions at a 1, 2 or 3-star level, from a list of four to eight actions. These actions are tailored to all Minnesota cities, focus on cost savings and energy use reduction, and encourage civic innovation; and

WHEREAS, steps taken toward sustainable solutions aim to improve community quality of life, building community capital and increasing government efficiency, accountability and transparency; and

WHEREAS, local governments have the unique opportunity to achieve both energy use and greenhouse gas reductions and cost savings through building and facilities management; land use and transportation planning; environmental management; and through economic and community development; and

WHEREAS, efforts to address energy and climate issues provide an opportunity to move toward energy self-reliance and greater community resiliency and quality of life; provide environmentally healthy and cheaper-to-operate public buildings; encourage new economic development and local jobs; and support local food and renewable energy production; and

WHEREAS, climate changes have been observed in Minnesota and have the potential to negatively impact local, regional and state economies; infrastructure development; habitat; ecological communities, including native fish and wildlife populations; spread invasive species and exotic diseases; reduce drinking water supplies and recreational opportunities; and pose flooding, drought and health threats to our citizens; and

WHEREAS, Minnesota Session Laws 2008, Chapter 356, Section 13 directed the Minnesota Pollution Control Agency ("MPCA") and Office of Energy Security in the Department of Commerce ("Office of Energy Security"), in collaboration with Clean

Energy Resource Teams (“CERTs”), to recommend municipal actions and policies that work toward meeting the State’s greenhouse gas emissions reduction goals; and

WHEREAS, the Next Generation Act of 2007, Minnesota Session Laws 2007 - Chapter 136:

1. sets State greenhouse gas emissions reduction goals of cutting emissions to 15 percent below 2005 levels by 2015, 30 percent below 2005 levels by 2025, and 80 percent below 2005 levels by 2050;
2. sets a State energy conservation goal of achieving annual energy savings equal to 1.5 percent of annual retail energy sales of electricity and natural gas;
3. establishes an energy policy goal that the per capita use of fossil fuel as an energy input be reduced by 15 percent by the year 2015, through increased reliance on energy efficiency and renewable energy alternatives;
4. establishes an energy policy goal that 25 percent of the electricity used in the state be derived from renewable energy resources by the year 2025; and

WHEREAS, a broad coalition of public and private stakeholders including the League of Minnesota Cities, the MPCA, Office of Energy Security and CERTs responded to the 2008 legislation by establishing the Minnesota GreenStep Cities program to provide a series of sustainable development best practices focusing on local government opportunities to reduce energy use and greenhouse gases; and

WHEREAS, the Minnesota GreenStep Cities program assists in facilitating technical assistance for the implementation of these sustainable development best practices; and

WHEREAS, the Minnesota GreenStep Cities program provides cost-effective sustainable development best practices in the following five categories: (1) Buildings and Lighting; (2) Transportation; (3) Land Use; (4) Environmental Management; and (5) Economic and Community Development;

NOW, THEREFORE, be it resolved that the City Council of the City of Champlin does hereby authorize the City of Champlin (the City) to participate in the Minnesota GreenStep Cities program that offers a free, voluntary continuous improvement framework. Passage of this participation resolution allows the City to be recognized as a Step One GreenStep City by the League of Minnesota Cities. Be it further resolved that the City:

1. Appoints the Environmental Specialist to serve as the City’s GreenStep coordinator for best practice documentation/implementation and, as appropriate, identifies the Environmental Resources Commission as the city’s GreenStep coordination team; and
2. Will facilitate the involvement of community members and other units of government as appropriate in the planning, promoting and/or implementing of GreenStep Cities best practices; and

3. Grants to the GreenStep program staff review access to the City's B3 Benchmarking Database so as to facilitate analysis and cost-saving technical assistance to the City regarding its buildings' energy use; and
4. Will provide feedback once a year on how well the GreenStep program is serving the city and on city needs from the program; and
5. Will claim credit for having implemented and will work at its own pace toward implementing any eight GreenStep best practices that will result in energy use reduction, economic savings, quality of life improvement, reduction in the City's greenhouse gas footprint, and recognition by the League of Minnesota Cities as a Step Two GreenStep City. An on-going summary of the City's implementation of best practices will be posted by the City on the Minnesota GreenStep Cities web site.

The motion for the adoption of the resolution was duly seconded by Councilmember Tesdall, and upon vote being taken thereon, the following voted in favor thereof: Mayor Sabas, Councilmembers Tesdall, Moe, Huttner and LaCroix, and the following voted against the same: none, whereupon said resolution was passed this 26th day of January, 2026.
