## Join Mayor Nagel in the 40 Gallon Challenge (April 1-30, 2016)

A new program launched this year challenges Arlington residents to save 40 gallons of water per day. The 40 Gallon Challenge allows residents to compete against other Minnesotans who are taking the challenge in their counties.

At the program's website, [www.40gallonchallenge.org](http://www.40gallonchallenge.org), residents can pledge to adopt water-saving practices and see how many gallons of water they can expect to save.

**IT'S EASY!**  
Simply complete the Pledge Card!  
Go online at  
[www.40gallonchallenge.org/](http://www.40gallonchallenge.org/)  
Complete & submit the form  
electronically.

The *40 Gallon Challenge* also provides maps and charts to see pledge activities in your state and across the United States.

We encourage residents to go on to the *40 Gallon Challenge* website and complete the pledge form online. If you do not have access to the internet, there are paper copies at the City Office.
