

RESOLUTION 2010-110

CITY OF HOFFMAN

STATE OF MINNESOTAA RESOLUTION AUTHORIZING THE CITY OF HOFFMAN

The GreenStep Cities program aims to provide Minnesota cities a clear pathway to greater sustainability based upon implementing best practices specific to Minnesota cities of differing sizes and capabilities. 1. Appoints Krusemark to serve as the city's GreenStep coordinator to facilitate best practice implementation; and
2. Will facilitate the involvement of community members, civic, business and educational organizations, and other units of government as appropriate in the planning, promoting and implementing of GreenStep Cities best practices; and
3. *[choose one:]* Plans to take actions to implement the following best practices: *[a short list of those most likely to be implemented soon]* OR Will identify a short list of best practices for initial implementation by *[date]* ; and
4. Will claim credit for having implemented and will implement in total at least *[8, 12 or 16, depending on city category]* required and optional GreenStep best practices that will result in energy use reduction, economic savings and reduction in the community's greenhouse gas footprint. A summary of the city's implementation of best practices will be posted on the Minnesota GreenStep Cities web site.
