

RESOLUTION NO. 10-12-509

**CITY OF MAPLEWOOD
COUNTY OF RAMSEY
STATE OF MINNESOTA**

**A RESOLUTION AUTHORIZING THE CITY OF MAPLEWOOD TO PARTICIPATE IN THE
MINNESOTA GREENSTEP CITIES PROGRAM**

WHEREAS, uncertainty in energy prices and the transition away from fossil fuel energy sources present new challenges and opportunities to both the City of Maplewood and to the economic health of its citizens and businesses; and

WHEREAS, climate changes have been observed in Minnesota and have the potential to negatively impact local, regional and state economies; infrastructure development; habitat; ecological communities, including native fish and wildlife populations; spread invasive species and exotic diseases; reduce drinking water supplies and recreational opportunities; and pose health threats to our citizens; and

WHEREAS, local governments have the unique opportunity to achieve both energy use and climate change gas reductions through building and facilities management; land use and transportation planning; environmental management; and through economic and community development; and

WHEREAS, efforts to address energy and climate issues provide an opportunity to move toward energy self-reliance and greater community resiliency; provide environmentally healthy and cheaper-to-operate public buildings; encourage new economic development and local jobs; and support local food and renewable energy production; and

WHEREAS, the City of Maplewood has adopted the U.S. Mayors Climate Protection Agreement on June 23, 2008, which commits the city to reducing emissions and pollution in city operations and the community; and

WHEREAS, in September 2008 the City of Maplewood formed a working group (Maplewood Green Team) to review and make recommendations on how the city can realistically and feasibly reduce emissions and pollution now and in the future based on the goals and objectives of the U.S. Mayors Climate Protection Agreement; and

WHEREAS, Minnesota Session Laws 2008, Chapter 356, Section 13 directed the Minnesota Pollution Control Agency ("MPCA") and Office of Energy Security in the Department of Commerce ("Office of Energy Security"), in collaboration with Clean Energy Resource Teams ("CERTs"), to recommend municipal actions and policies that work toward meeting the State's greenhouse gas emissions reduction goals; and

WHEREAS, the Next Generation Act of 2007, Minnesota Session Laws 2007 - Chapter 136: (1) sets State greenhouse gas emissions reduction goals of cutting emissions to 15 percent below 2005 levels by 2015, 30 percent below 2005 levels by 2025, and 80 percent below 2005 levels by 2050; (2) sets a State energy conservation goal of achieving annual energy savings equal to 1.5 percent of annual retail energy sales of electricity and natural gas; (3) establishes an energy policy goal that the per capita use of fossil fuel as an energy input be reduced by 15 percent by the year 2015, through increased reliance on energy efficiency and renewable energy alternatives; (4) establishes an energy policy goal that 25 percent of the electricity used in the state be derived from renewable energy resources by the year 2025; and

WHEREAS, a broad coalition of public and private stakeholders including the League of Minnesota Cities, the MPCA, Office of Energy Security and CERTs responded to the 2008 legislation by establishing the Minnesota GreenStep Cities program to provide a series of sustainable development best practices focusing on local government opportunities to reduce energy use and greenhouse gases; and

WHEREAS, the Minnesota GreenStep Cities program assists in facilitating technical assistance for the implementation of these sustainable development best practices; and

WHEREAS, the Minnesota GreenStep Cities program provides cost-effective sustainable development best practices in the following five categories: (1) Buildings and Lighting; (2) Transportation; (3) Land Use; (4) Environmental Management; and (5) Economic and Community Development;

NOW, THEREFORE, be it resolved that the City Council of the City of Maplewood does hereby authorize the City of Maplewood (the "City") to participate in the Minnesota GreenStep Cities program. Be it further resolved that the City:

1. Appoints Shann Finwall, Environmental Planner, to serve as the city's GreenStep coordinator to facilitate best practice implementation; and
2. Will facilitate the involvement of community members, civic, business and educational organizations, and other units of government as appropriate in the planning, promoting and implementing of GreenStep Cities best practices; and
3. Will identify a short list of best practices for initial implementation by March 2011; and
4. Will claim credit for having implemented and will implement in total at least 16 required and optional GreenStep best practices that will result in energy use reduction, economic savings and reduction in the community's greenhouse gas footprint. A summary of the city's implementation of best practices will be posted on the Minnesota GreenStep Cities web site.

Adopted this 13th day of December, 2010.
