

**A RESOLUTION AUTHORIZING THE CITY OF NEW HOPE
TO PARTICIPATE IN THE MINNESOTA GREENSTEP CITIES PROGRAM**

BE IT RESOLVED by the City Council of the City of New Hope as follows:

WHEREAS, Minnesota GreenStep Cities is a voluntary challenge, assistance and recognition program to help cities achieve their sustainability and quality-of-life goals. GreenStep is a free, continuous improvement program, managed by a public-private partnership, and based upon 28 best practices. Each best practice can be implemented by completing one or more actions at a 1, 2 or 3-star level, from a list of four to eight actions. These actions are tailored to all Minnesota cities, focus on cost savings and energy use reduction, and encourage civic innovation; and

WHEREAS, steps taken toward sustainable solutions aim to improve community quality of life, building community capital and increasing government efficiency, accountability and transparency; and

WHEREAS, a broad coalition of public and private stakeholders including the League of Minnesota Cities, the MPCA, Office of Energy Security and CERTs responded to the 2008 legislation by establishing the Minnesota GreenStep Cities program to provide a series of sustainable development best practices focusing on local government opportunities to reduce energy use and greenhouse gases; and

WHEREAS, the Minnesota GreenStep Cities program assists in facilitating technical assistance for the implementation of these sustainable development best practices; and

WHEREAS, the Minnesota GreenStep Cities program provides cost-effective sustainable development best practices in the following five categories: (1) Buildings and Lighting; (2) Transportation; (3) Land Use; (4) Environmental Management; and (5) Economic and Community Development;

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of New Hope does hereby authorize the City of New Hope (City) to participate in the Minnesota GreenStep Cities program that offers a free, voluntary continuous improvement framework. Passage of this participation resolution allows the City to be recognized as a Step One GreenStep City. Be it further resolved that the City:

1. Appoints Jeff Alger, Community Development Assistant, to serve as the City's GreenStep coordinator for best practice documentation/implementation; and
2. Will facilitate the involvement of community members and other units of government as appropriate in the planning, promoting and/or implementing of GreenStep Cities best practices; and
3. Grants to the GreenStep program's buildings advisor read-only access to the City's B3 Benchmarking Database so as to facilitate analysis and cost-savings advice to the City regarding its buildings' energy use; and
4. Will claim credit for having implemented and will work at its own pace toward implementing any 8 GreenStep best practices that will result in energy use reduction, economic savings,

quality of life improvement, reduction in the City's greenhouse gas footprint, and recognition by the League of Minnesota Cities as a Step Two GreenStep City. An on-going summary of the City's implementation of best practices will be posted by the City on the Minnesota GreenStep Cities web site.

Dated the 12th day of January, 2015.

Kathi Hemken, Mayor
