

**RESOLUTION NO. 05-20-14-01
CITY OF SCANDIA
COUNTY OF WASHINGTON
STATE OF MINNESOTA**

**A RESOLUTION AUTHORIZING THE CITY OF SCANDIA
TO PARTICIPATE IN THE MINNESOTA GREENSTEP CITIES PROGRAM**

WHEREAS, Minnesota Session Laws 2008, Chapter 356, Section 13 directed the Minnesota Pollution Control Agency (“MPCA”) and Office of Energy Security in the Department of Commerce (“Office of Energy Security”), in collaboration with Clean Energy Resource Teams (“CERTs”), to recommend municipal actions and policies that work toward meeting the State’s greenhouse gas emissions reduction goals; and

WHEREAS, Minnesota GreenStep Cities is a voluntary challenge, assistance and recognition program to help cities achieve their sustainability and quality-of-life goals. GreenStep is a free, continuous improvement program, managed by a public-private partnership, and based upon 28 best practices. Each best practice can be implemented by completing one or more actions at a 1, 2 or 3-star level, from a list of four to eight actions. These actions are tailored to all Minnesota cities, focus on cost savings and energy use reduction, and encourage civic innovation; and

WHEREAS, local governments have the unique opportunity through efforts to address energy and climate issues to move towards energy self-reliance and greater community resiliency and quality of life; provide environmentally healthy and cheaper-to-operate public buildings; encourage new economic development and local jobs; and support local food and renewable energy production; and

WHEREAS, the Minnesota GreenStep Cities program assists in facilitating technical assistance for the implementation of these sustainable development best practices; and

NOW, THEREFORE, be it resolved that the City Council of the City of Scandia (the “City”) does hereby authorize the City to participate in the Minnesota GreenStep Cities program that offers a free, voluntary continuous improvement framework. Passage of this participation resolution allows the City to be recognized as a Step One GreenStep City. Be it further resolved that the City:

1. Appoints the City Administrator, to serve as the City’s GreenStep coordinator for best practice documentation/implementation as the city’s GreenStep coordination team; and
2. Will facilitate the involvement of community members and other units of government as appropriate in the planning, promoting and/or implementing of GreenStep Cities best practices; and
3. Grants to the GreenStep program’s buildings advisor read-only access to the City’s B3 Benchmarking Database so as to facilitate analysis and cost-savings advice to the City regarding its buildings’ energy use; and
4. Will claim credit for having implemented and will work at its own pace toward implementing any GreenStep best practices that will result in energy use reduction, economic savings, quality of life improvement, reduction in the City’s greenhouse gas footprint, and recognition by the League of Minnesota Cities as a Step Two GreenStep City. An on-going summary of the City’s

implementation of best practices will be posted by the City on the Minnesota GreenStep Cities web site.

Adopted by the Scandia City Council this 20th day of May, 2014.
